THE FIRST AND BEST REPORTS

EVERY WEDNESDAY

THE big trials, scrambles and road races, at home and abroad, all fully reported and illustrated: eye-witness accounts brought to your breakfast table by Wednesday morning. Edited by Cyril Quantrill, Motorcycle News will provide the best news service that active motorcyclists, and thousands of others interested in the pastime, have ever enjoyed. The adoption of a newspaper format enables each report to receive all the space it deserves. There will be no "padding" to fill a page, nor will there be any arbitrary "cutting" to fit an article to its allotted area. Readers will get the news and views they want; and they will get it all on Wednesdays.

EASY TO READ
For those with the time to browse through more than 30 pages of editorial matter and over twice as many pages of advertisements, there is already more than one old-established and well-loved motorcycling journal. *Motorcycle News* is for the man in a hurry. Its bright presentation of the news—of sporting events, of the latest British and foreign motorcycles, and of everything else of interest to motorcyclists—will keep its readers quickly informed of all current developments.

OFFICIAL INTELLIGENCE
The decisions taken by the various bodies concerned with the motorcycling organization, this paper will maintain a close liaison with the Fédération Internationale Motocycliste, which frames the international rules for the sport, and with the British Union. It will carry reports, their activities and decisions. Then there is the Royal Automobile Club, with its special motorcycle section, which operates a learner training scheme in conjunction with the A.C.U. And for those who are regularly in a process of...

FULL RESULTS
While concise, factual reporting will enable all the essentials of a news story to be included in a short, easy-to-read article, *Motorcycle News* will never reduce results to absurdity.

THE NEWS YOU GET
Away from the main headlines there are many other minor happenings in the motorcycling world. The man who wishes to be well-informed about all aspects of his favourite pastime must know something of them. All he wants are the bare facts. In short paragraphs, *Motorcycle News* will report these smaller happenings, at home and abroad. Results of open-to-Centre sporting events, details of regulations available, information about A.C.U. and F.I.M. activities that are of interest to only certain sections of the motorcycling public; all such will find their corner in *Motorcycle News*. And its newspaper style presentation will enable readers to find the facts they want quickly.

EASY ON THE POCKET
Because it will never attempt to hold the dual—but to our way of thinking, opposed—roles of a newspaper and magazine, and because it will contain no thousands of words of clutter...

MEN AND MACHINES
We always think of the competitors in a sporting event not as numbers, names and initials in a procession...

Pictures which make news—as, for instance, this shot of Bob McIntyre having his first ride on Geoff Duke's R.S.A. in the last meeting of the year at Brands Hatch.
