YOU TOO CAN DRIVE

ROUND BRANDS . . .

FOR ONLY 3 GUINEAS A YEAR

YOU CAN EXPERIENCE SOMETHING NEW IN MOTOR CLUB ENJOYMENT. CONSIDER THESE BENEFITS :-

DRIVE ON A RACE TRACK

When you join a Circuit Club you will be sent three tickets each entitling you to 20 laps driving your own silenced road car round the Mallory Park, Brands Hatch, and Snetterton race tracks. Mallory and Brands are open for this purpose on two evenings per week during the summer and on one Saturday or Sunday each month throughout the year. Snetterton is available by individual arrangement with the Snetterton Motor Racing Club. Each track is properly supervised and at Mallory Park and Brands Hatch there are permanent catering services. Members are covered automatically by legal liability insurance and low-cost personal accident insurance is available at each circuit as an optional extra.

DRIVE ON A SKID ROAD

You also receive three more tickets each entitling you to a weekend practice session on the Brands Hatch skid road built specially for the High Performance Course of the British School of Motoring. In your own car you can spin safely on the special mastic surface through 360 degrees from only 20 mph. Later it is hoped to open a similar track at Mallory Park.

DRIVE ON A KART TRACK

As a Circuit Car Club Member you will be able to hire at Brands Hatch and Snetterton go-kart, kart amusement track, and crash helmet for only 7s.6d. per 10-lap session instead of the normal public charge of 10s. These facilities may later be available at Mallory too.

CHEAPER SPECTATING

You can also purchase low-cost car race spectator season brooches for yourself, one other male, and up to four ladies and children at Mallory Park, Brands Hatch and Snetterton. These will save you 40% or more on the normal year's spectating costs.

ENJOY A CIRCUIT CLUBHOUSE

Members have their own modern style motoring pubs and clubhouses at Brands and Mallory. They are open every Tuesday and Thursday evenings, at weekends and on all practice and race days. Apart from attractive bars, set against a background of motor badges and paintings, the clubhouses are equipped with table tennis, record players, amusement machines and model electric race tracks. The clubhouses are also the scene of members' film shows, dances and cocktail parties in honour of racing drivers and other motoring personalities. Membership of a circuit car club allows you and up to two guests also to use the clubhouses at Brands Hatch, Mallory Park and Snetterton.

YOUR OWN MAGAZINE

Through the post every month you will receive a copy of sportscar (post free value 30s. per year). It will come to you not as a mere club journal but as a lively illustrated review full of race reports, road tests and motor sporting personalities—all in pictures. sportscar is edited by John Blunsden and Darryl Reach, part of the team which produces its lively companion journal, MOTOR RACING.

DRIVE IN A SPRINT

Circuit Car Clubs plan soon to organise sprints, hill climbs and driving tests for the benefit of members. Race meetings as such are not envisaged as the promoters do not wish to conflict with or undermine the excellent facilities offered by other motor sporting clubs.

DISPLAY A PROUD EMBLEM

Each Circuit Car Club has an attractive chequered flag emblem reproduced on transfers, lapel and car badges: there is also a Club tie featuring Club initials and a Chequered Flag pattern.

MEMBER OF ONE, MEMBER OF TWO

Members of the Mallory Park Motor Club are also automatically members of Brands Hatch Motor Club, and vice-versa, and are entitled to certain benefits when visiting the other track. These include the right to exchange race track and skid road tickets (where applicable), to use the kart track at concession rates and to enjoy full clubhouse privileges.

SUBSCRIPTION RATES

For 3 gns. per year (2 gns. if a BRSCC Member) you can enjoy all the advantages described on these pages. (Track Membership). For 2 gns. per year you can enjoy all the advantages described on these pages, except drive on the tracks or skid roads. (Social Membership).
