PADDOCK GOSSIP

A brief round-up of some of the latest motor racing news.

Today's meeting is organised by a local club—the Maidstone & Mid-Kent Motor Club—who are indeed no strangers to Brands Hatch. They must be unique in that they have a lady chairman who also organises their race meetings—Jane Waugh. Mrs. Waugh has put a lot of work into the organisation of today's racing and no doubt the result will be an efficiently-run pleasant meeting.

The outright lap record for the 1.24-mile Brands Hatch Club Circuit is in jeopardy today. Entered in the Guards Trophy sports-racing car race is the 5970 c.c. Lola-Chevrolet T70 sports-racing car of young Wrexham farmer Robin Darlington to be driven by the 30-year-old Bradford-born Radio London driver Tony Lanfranchi.

Tony is a great favourite at Brands, where he has been seen in all types of cars from Lotus 7s and Hillman Imps to big sports cars. The 6-litre Lola has far too much power to be raced flat-out on the tricky, twisting Brands Hatch circuit, so Lanfranchi will have to tame the 500 horsepower pretty carefully to keep the car on the road. However, Tony should be well able to cope with the power, for he drove a similar Lola at Brands Hatch last year and came within an ace of conquering the circuit record of 52 secs.

Event 2 for Special Grand Touring cars is a qualifying round of the 1967 **Motoring News** Championship. Outright favourite must be northerner Tony Dean with his very potent 2-litre Porsche Carrera 6. Just listen to this car as it races past—it makes a glorious noise! Ranged against him are the nimble Ginetta G12s of Peter Creasey, Keith Jupp and Paul Bryan, the Lotus 47s of John Miles and Johnnie Blades and Digby Martland and John Lepp with Chevron GTs. Chris Meek is also entered with a Nathan GT, so it should be a splendid race!

With Alan Rollinson and Chris Williams racing abroad today, Harry Stiller stands a good chance of taking the lead in the Les Leston Formula 3 Championship, which he won last year. In today's race he drives his 1967 Brabham-Ford BT21 entered jointly by Motor Racing Stables and Radio London, and his team-mate is none other than Tony Lanfranchi.

Look out for John Miles today. This young driver is this year driving for

Lotus Components, Ltd., in both Formula 3 racing with a Lotus 41 and in special GT racing with a Lotus 47. He is down to drive both cars today. John is the son of actor Bernard Miles and writes a column about club racing in the monthly magazine **Cars & Car Conversions**.

If you haven't already, mark down July 30 in your diary as the day to come to Brands Hatch. The BOAC 500-miles race has already attracted the firm entry of one of the automatic-transmission, air-brake "winged" Chaparral 2F sports cars to be driven by American Phil Hill and Englishman Mike Spence of the BRM Grand Prix team. Also expected are entries from Ford, Ferrari, Porsche and Lola-Aston Martin teams.

The BOAC International 500 Trophy race ranks with the Le Mans 24-hours, the Targa Florio, the Nurburgring 1000-kilometres, the Daytona 24-hours and the Sebring 12-hours races as one of the major long-distance endurance events in the world. A cash award of £1000 awaits the winner, while BOAC—pioneers of world jet-liner services—are to award £1000 to the first gas-turbine-engined car to finish.

Saloon Car racing is becoming more and more popular, and today, with Redex Gold Cross Championship points at stake, all the favourites are entered. In the 1000 c.c. race Bernard Unett leads the Hillman Imp brigade with his Alan Fraser team car, but Peter Gaydon, Bill McGovern and Tony Taylor in their Imps won't be giving Unett any peace. The Mini-Cooper Ss of David Morgan—at the time of writing the leader of the Redex Championship—Charles Carling and Tony Morris will be well in the hunt, too.

In the over 1000 c.c. race the bigger-engined Minis (1300 c.c.) fight the Ford Anglias. Brian Cox, Colin Youle, Ian Mitchell, John Wales, David Alexander, Mac Ross, Guy Edwards, Ken Costello, David Morgan and Paul Bayley are all expert at Mini racing—they are so good it is impossible to predict a winner! At recent Brands meetings the duels between the evenly matched pair Costello and Youle have been highlights of the day's racing—perhaps they will scrap again today?

Michael Kettlewell.

YOU TOO CAN DRIVE AT 70 +

ON ONE OF BRITAIN'S
LEADING RACE TRACKS

BY JOINING THE
Brands Hatch Motor Club
Snetterton Motor Racing Club
Mallory Park Motor Club

For 2 or 3 guineas a year you
can experience something
new in Motor Club enjoyment

DRIVE ON A RACE TRACK

When you join a circuit car club you will be sent three tickets each entitling you to 20 laps driving your own silenced road car round the Brands Hatch, Snetterton and Mallory Park race tracks. All three circuits are open for this purpose on Tuesday and Thursday evenings each week during the summer, and on certain weekend days throughout the year. Each track is properly supervised and now has permanent catering services. Members are covered automatically by legal liability insurance and low-cost personal accident insurance is available as an optional extra.

A CIRCUIT CLUBHOUSE

Close to the paddock at Brands Hatch and Snetterton, and to the hairpin at Mallory Park, members have their own modern-style motoring pubs and clubhouse. They are open most evenings, weekdays, weekends, and on all practice and race days. Apart from their attractive bars, set against a background of motor badges and paintings, the clubhouses are also equipped with music and amusements. They are also the scene of film shows, dances and cocktail parties.

YOUR OWN YEAR BOOK

Through the post each December—or immediately if you join while stocks last—you will receive a bound copy of *Motor Racing Year* (post free value 22/6.) This splendid production, edited by the staff of the magazine *Motor Racing* reviews the previous year's racing scene and is packed with motor sport data and exclusive hitherto unpublished photographs. In addition, regular news letters will keep you informed of club news, facilities and social events.

HOW TO JOIN

Write to the appropriate club giving your full name and address (block capitals), and a full membership application form with further details concerning track use and season brochures will be forwarded immediately.

SKID ROAD KART TRACK

You also receive three more tickets, each entitling you to a weekend practice session on the Brands Hatch skid road, built specially for the High Performance Course of the British School of Motoring. In your own car you can spin safely on the special mastic surface through 360 degrees from only 20 m.p.h.

As a circuit car club member you will be able to use, on prior notice, a go-kart, a kart amusement track, and a crash helmet for only 7s. 6d. per 10-lap session instead of the normal charge of 10s.

CONSIDER THESE BENEFITS

MEMBER OF THREE

Membership of any one circuit car club allows you and up to three guests to use the clubhouses at Mallory Park, Snetterton and Brands Hatch. Similarly, members of any one circuit car club are also automatically members of the other two, and are entitled to exchange skid-road and race-track tickets (when applicable), to use the other facilities at concession rates, and to enjoy full clubhouse privileges.

CHEAPER SPECTATING

You can also purchase, at a guinea less than the public rates, low-cost car race spectator season brochures for yourself, one other male, and up to four ladies, at one or all of the three circuits involved. These admit your car to any public park and all brooch holders to the paddock at Mallory and Snetterton and any normal viewing area. At Brands Hatch a season brooch costs 5 gns. for adult males, and 4 gns. only for ladies, compared with individual admission tickets totalling more than £18 in yearly cost. At Mallory Park the brochures cost 4 gns. for males and 3 gns. for ladies for over £11 normal value. At Snetterton 3 gns. for males and 2 gns. for ladies for over £9 normal value.

AGAIN AT 70 +

As a member of a circuit car club you can again extract the maximum in speed and roadholding from your car. At Brands, Mallory and Snetterton you can enjoy real performance on roadways designed to bring out the best in driving skill and engineering. And you can do so within safety barriers, wide run-offs, and without the risk of oncoming traffic. And afterwards—you can relax in the clubhouse with people with interests just like yours.

JOIN TODAY
