**THIS
COULD
BE YOU...**

at the wheel and in control of a Lotus single seater racing car, not breaking any lap records mind you, but experiencing the thrill and excitement of the race track. You may think it's expensive, but it's not. Just £10. 10. 0. for which you get your driving ability analysed in a T.V.R. Sports or a Lotus Elan by a qualified racing school instructor — plus words of advice at a blackboard briefing session which will improve your everyday driving. Then the climax — 5 untimed laps in a Lotus single seater racing car — no matter what your age, this is a not-to-be missed opportunity. You could even find yourself on the road to a new and exciting career.

Did you know?

That practising facilities existed at Brands Hatch for members of car and motor-cycle clubs to test their machines all day Wednesday and Saturday afternoons.

The cost is 15s. per half-hour for cars and sidecars and 10s. per half-hour for motor-cycles. You will need a current driving licence, a crash helmet and, if you are a motor-cyclist, leathers or a barbour's suit, goggles and gloves. Drivers of open cars will also need either goggles or a vizor, and all headlamps must be taped.

For further details write to Brands Hatch Circuit Ltd., Fawkham, near Dartford, Kent, or telephone West Ash 331.
