BEHIND THE SCENES... by Len Porter

From time to time over the years, many promotions — Promotasport included — have featured a pace car, and indeed we've had some very good ones. The trouble has always been to find someone prepared to maintain it, prepared to bring it to every meeting, and also prepared to risk his neck leading anything up to fifty potent racing vehicles around the circuit.

The latest organisation to come along to help us out in this field is the Bristol Ames Plant Hire Group, and we're indebted to their depot manager at Sittingbourne, Bob Modlen, and their plant manager, Ray "Chunky" James, for the very smart Vauxhall Official Course Car you see on the circuit today. Ray James is, in fact, driving the car for us — and I've no doubt he'll be passing your way once or twice during the afternoon... give him a wave!

Bristol Ames operate all heavy earth-moving equipment, including hydraulic breakers, and all the usual unmanned plant such as compressors, dumpers, rollers and cement mixers. All Bristol Ames gear at the Milton Regis depot is kept in ace condition under the able guidance of workshop foreman Doug Brameld, and the Bristol Ames entry in this afternoon's meeting is driven by one of their fitters, Bob Lindsell (438).

Bob Modlen and Ray James both have an urge to drive in our Banger events, and maybe we'll see this happen sometime during 1975 — the year in which Bristol Ames intend to put a six-car team on the circuits.

We're pleased to have Bristol Ames helping us out today, and if you're one of our regular travelling supporters, you'll also be seeing the Bristol Ames Pace Car at Lydden Hill and Iwade.

Incidentally, in the little remaining space I've got left here this afternoon, I'd like to thank the many people who wrote in offering their services as lap-scorers. I'd like to — but I can't, because you didn't. Which is rather surprising really, because usually after every meeting, I get at least a dozen people telling me how many mistakes the lap-scorers have made — can it be that not one of them has the courage to even try to do the job officially? In case you change your mind, the address once again is — P.R.I., P.O. Box 678, Streatham, London, SW16 2RR.

PROMOTASPORT

Presents

'CHICK' WOODROFFE

Ladies and Gentlemen, Good Afternoon.

The Bangers are back — and following that sensational World Championship Qualifying Round we staged here last month, we've got another very special meeting for you very much along the same lines. The format of the meeting was obviously very much to your liking, so we're going to do it all over again, but this time we've booked the Anglia Hot-Rods in place of the Mini-Rods — and — instead of the drivers racing for eight important places in a World Championship Semi-Final, they'll be racing for a new award — The Clearways Crunch Trophy.

The World Champion is with us again, and the British Champion is with us again, and with the World Qualifying Rounds all out of the way, we're pleased to welcome back to Brands Hatch the fabulous Diment Brothers from Peckham. Both Bernie and Dennis are riding high in the points charts at the moment, with only Peter Miles and Dennis Humphries to beat, and our third heat this afternoon — which features all four of them — should be a great race to watch.

Looking ahead to Sunday, 25th August, here at Brands Hatch we've got the magnificent Senior Stock Cars for you once again, and — just in case that's not enough for you — we'll also be featuring the sensational Mini-Rods, and there'll also be three races for the Banger fraternity. Three for the price of one — a date we trust you'll note in your diary and not forget.

Meanwhile, at the Lydden Circuit a little bit further south, we're presenting Senior Stock Cars NEXT Sunday afternoon, and then — on August 11th — it's our pleasure and privilege to stage the first of the 1974 Banger World Championship Semi-Finals, and that's coupled with the Rochester Trophy Meeting on the same day. It's all happening here in Kent — and we sincerely hope you don't miss out on any of the action.

As Ever in Sport,

CHICK WOODROFFE.
