## BBC RADIO 1 CHAMPIONSHIP CAR RACES

Organised by the BRSCC for Brands Hatch Circuit Limited

Programme 20p

# THE ONE FOUR LETTER WORD THAT MAKES CAR OWNERS FEEL ROTTEN.

# RUST

Your car represents a large investment for you. And every day that investment is eaten away by rust. The AA reckon it costs every motorist £1 a week, and with over 12 million cars on the road that's a lot of money to waste when there is an easy solution—Ziebart.

Ziebart is the real rustproofing process. Real because only Ziebart Rustproofing offers all these features.

- ↓ 10 years or 100,000 miles rust-through guarantee on new cars.
- ↓ A used car guarantee is available subject to free inspection.
- ↓ 20 years international experience of guaranteed vehicle rust protection.
- ↓ Unique sealant approved to ASTM specifications that actually creeps into the welds and seams of your car.

- ↓ Eight patented spray tools that can penetrate all the hidden boxed-in areas where rust can start.
- ↓ The best technicians in the business, trained to RTITB standards.

That's why Ziebart will protect your investment. That's why Ziebart will increase the re-sale value of your car. You'll be surprised how little real protection costs. Contact your local Ziebart station.

## It's us. Or rust.

Let Ziebart finish the job. It'll be a rotten shame if you don't.

The BRSCC Penthouse Ford Escort Championship goes from strength to strength as this photograph of some extremely close racing at Brands Hatch shows. Leading this train are John Waterman and Nick Weir. A new force to be reckoned with is now ex-Formula 5000 star Steve Thompson.

## Ever increasing popularity of BBC Radio 1 events

Today's seventh round of the BBC Radio 1 Production Saloon Car Championship has attracted maximum permissible entries—twenty cars plus four reserves—in each of the qualifying races.

As this popular championship progresses, so the number of drivers keen to enter increases and even today's massive entry list lacks a number of drivers who were competing in the last round at Silverstone last weekend.

Regular spectators at rounds of the Radio 1 championship will recognise new names in the entry lists for today's third and sixth events—among them Tony Lanfranchi, Bill Sydenham (with a new car) and Peter Jopp.

Lanfranchi and Sydenham have both joined the rotary club, not the national businessmen's organisation, but the Mazda RX3 brigade, bringing the number of these rotary engaged cars in the championship up to a record ten.

A very suitable sponsor has been found for Lanfranchi's car in the shape of DJM Records, the label on which Elton John records—an apt sponsor in the championship backed by Britain's leading pop music station. Sydenham, too, has a record label behind him, this time A & M Records the same company that sponsored the Hillman Avenger which he recently sold.

Both these drivers are making their first appearances in their Mazdas today and line up alongside such notaries as championship leader Jock Robertson, rock drummer Coxy Powell, Peter Slade, Wendy Harkey and Barry Andrews.

In the same race, another new car on the scene is the smart Mini 1275 GT of British Racing and Sports Car Club chairman Peter Jopp, who was seen in a Moskvich last year. His "cherished" number plate JOPIE has now found it's way onto this

MP Clement Freud, in lighter vein during a training session for today's ShellSPORT Escort race.

## ShellSPORT Escort Lords v Commons Race

Today's ShellSPORT Escort race sees the return of some of the most colourful figures in British politics to the country's busiest motor racing circuit in a team event in which Lords are matched against Commons.

Britain's own motor racing noblemen, Lord Alexander Hesketh, patron of the Hesketh Formula One team, heads the list of House of Lords members due to drive, which include Duke of Fife, ex-Formula 3 pilots the Earl of Denbigh and the Earl of Suffolk and Berkshire and others including Lord Strathcarron.

On the Commons side, colourful gourmet and MP Clement Freud is by far the most experienced with nine or ten races under his belt. He is a real trier in these races and could well be first past the chequered flag. The Commons team also includes Shadow Minister for Sport, Mr. Hector Monro and Geoffrey Johnson-Smith.

The wonderful prizes on offer for this ten lap race are described on page 8 of this programme.

baby British Leyland car which is backed for this series by the Evening Standard and Henlys.

Real BBC Radio 1 flavour is added to this championship by the participation of breakfast show disc jockey Noel Edmonds in a Castrol-backed 3-litre Ford Capri. "Super Noel" is here today—his first visit to Brands Hatch this year—hoping to beat off some of the remaining Capris in the hands of drivers such as Ivan Dutton, Phil Dowsett, Neil McGrath and under-21 stars Marc Smith, Mike Smith and Rod Birley. With maximum entries and some excellent racing promised in the BBC Radio 1 races today, it would be easy to forget the other events in this eight race programme, organised by the British Racing and Sports Car Club, but that would be a mistake. The BRSCC's two one-make saloon car formulae get an airing here today—the Penthouse Ford Escort Championship and the Renault 5 Elf Challenge. The last Escort race at Brands was a real cracker, with three cars in contention for the lead throughout the race . . . and today's promises to be just as good.

Ex-Formula 5000 star Steve Thompson has joined the Escort pilots, driving the Opposite Lock Club's Mexico, which was driven during the early part of the year by the club's patron Martin Hone.

Thompson has very little saloon car experience, most of his racing career having been spent in single-seaters, but in his first Mexico race at Mallory Park a few weeks ago he drove a well-planned race, taking victory with some demon overtaking on the last corner of the last lap.

First three rounds of the series were won by Mike Freeman who currently leads the championship by a fair margin but, as Thompson is to drive the Opposite Lock Club car for the rest of the season, Freeman may not have it all his own way.

The Renault 5s are making their first visit to Brands Hatch this year today with Sittingbourne driver Keith Collier—who made quite a name for himself with an amazing roll at the hairpin at Mallory Park last year—poised to take the lead in the Challenge.

Reigning champion and current championship leader is Neil McGrath and he will not be too ready to allow Collier to outdo him but, as Brands is definitely Collier's "home" circuit, he could well pull off a demon drive.

Two heats and a final towards the National Organs Formula Ford championship promise some very close racing, with maximum entries for the two heats—which means forty cars—and only twenty places on the grid for the final.

Front-runners in this series—lap record holder Rob Wicken, Kenny Gray, Geoff Lees and Phil Dowsett—are sure to make these races good value for spectators.

**BBC Radio 1 Disc Jockey Noel Edmonds will sign autographs  
outside the Grovewood Suite - at the far end from the  
Main Grandstand - at 1.45 p.m. today.**

# BBC Radio 1 Production Saloon Car Championship

Britain's major club production saloon car championship is this year being supported by the nation's biggest radio station, BBC Radio 1—with special emphasis on youth and special prizes for under-21 drivers.

Radio 1 Disc Jockey days at Brands Hatch last year were so successful that six leading British circuits are co-operating with Radio 1 to organise this championship.

There are 20 rounds, with a prize fund of £120 per race. Points will be awarded on a 4-3-2-1 basis to the first four finishers in each class. A driver's best 15 results will count towards his end of season total. Championship winner will receive £100 with £50 going to the three remaining class winners.

The awards for under-21 drivers—who must register as such on their entry forms—total £500 for the season. Highest placed junior driver in each class will receive a Radio 1 Merit Award at each round and the junior with the highest class placing will also win £20. At the season's end, the junior with the highest points total, based on the normal scale, will receive £100.

Future rounds: May 18, Mallory Park; May 26, Snetterton; June 29, Mallory Park; July 27, Snetterton; August 9, Oulton Park; August 10, Mallory Park; August 25, Brands Hatch; September 7, Brands Hatch; September 21, Mallory Park; October 5, Brands Hatch; October 12, Mallory Park; October 19, Snetterton; November 2, Brands Hatch.
