**24th**  
**August**

**BRANDS HATCH**

**CIRCUIT**

**PROGRAMME 10p**

## For the Attention of Spectators

Please do not leave litter about the grounds — take it with you.  
The Rochester Motor Club wish to acknowledge with thanks the valuable assistance given by individual marshals in conducting this meeting. If an accident occurs, leave it to the marshals, the doctors and St. John Ambulance men who are in attendance.  
Remember to drive with care and caution when leaving the ground.  
To safeguard both competitors and public — **dogs are not admitted.**  
**Prohibited Area Notices:** The public are not permitted in the areas where these notices are displayed. The fences are there for protection, and any person or persons found trespassing, or wilfully damaging trees, fences, etc., will be prosecuted by Brands Hatch Circuit Ltd.

## Condition of Admission

Spectators attending the track do so entirely at their own risk. It is a condition of admission that Brands Hatch Circuit Limited and all persons having any connection with the promotion and/or organisation and/or conduct of the meeting (including the drivers and owners of vehicles and passengers in vehicles) are absolved from all responsibility and liability whatsoever from negligence, or by accident causing loss, damage or personal injury to spectators or ticket holders or to their goods or vehicles.

## Postponement of the Meeting

The Club reserves the right to postpone or cancel the meeting.

## Flag Signals

The **Green Flag** is dropped at the starting line when the race is on. During the race it signifies that the course is clear. The **Yellow Flag** warns drivers to use caution but not to change positions. It is used when 'wide open' driving is not permitted. The **Union Jack** denotes the race has passed the halfway stage. The **Red Flag** is used to denote that the race has been stopped, and the **Black Flag** to order a car back to the pits. The **Chequered Flag** indicates the end of a race.

# THE TORNADO TROPHIES

Ladies and Gentlemen, Good Afternoon,

Promoter Chick Woodroffe, car permitting, will be racing again this afternoon, so I'll bid you welcome, and hope that our Holiday Weekend Contact Happening has everything you need to make your Summer break complete. We've got Formula One Stock Cars and Bangers on the programme, and in both formulas the reigning World Champion will be on hand to show you exactly how it's done.

September draws rapidly closer, and that's the month when both Dave Chisholm and Pete Miles have to defend their titles. The only difference is that Chisholm will be defending his from close to the front of the grid, while Miles — for the second year running — will be starting from the back. By the end of September, we'll have new champions — or will we? For both drivers have held the title for two successive years, and they're both going for the hat-trick.

The laws of chance, and all the laws of probability say that neither of them have the remotest chance of success, but they are two truly great drivers who do not know the meaning of the word "quit", and whichever formula you support, you can be sure of a really great race for the 1975 Championships.

Miles goes to Harringay on September 6th, and Chisholm goes to Manchester on September 27th — make sure you're there too.

I'll be looking for you,  
**LEN PORTER**
