Northern Race and Rally Rescue Marshals Club

The Northern Race & Rally Rescue Marshals Club known as N.R.R.R.M.C., is a private club formed in 1969 to provide a mobile rescue unit to free trapped and injured drivers.

Our members come from all walks of life and they all give their services free of charge to this club.

The club relies solely on donations from members of the public and various clubs for its survival.

The equipment for a fully equipped Rescue Unit costs about £3000 minimum to buy.

We carry onboard five extinguishers - dry powder and light water, air cutting equipment for cutting drivers out, hydraulic equipment for spreading cars, a wide variety of medical equipment for dealing with most emergencies on a track (and sometimes road traffic accidents on the way to and from meetings) including oxygen, entonox and a stretcher.

Our unit is virtually a fire engine and an ambulance rolled into one although obviously there are some things we cannot, or do not need.

We have enough equipment to cover two units but at the moment we only have one vehicle, consequently when we have two bookings on the same day we have to hire a van to put the other equipment in.

We are urgently in need of money to purchase another vehicle.

Coming amongst you all today will be some club members begging and pleading with you all to donate as much money as you can afford to help us in this quest.

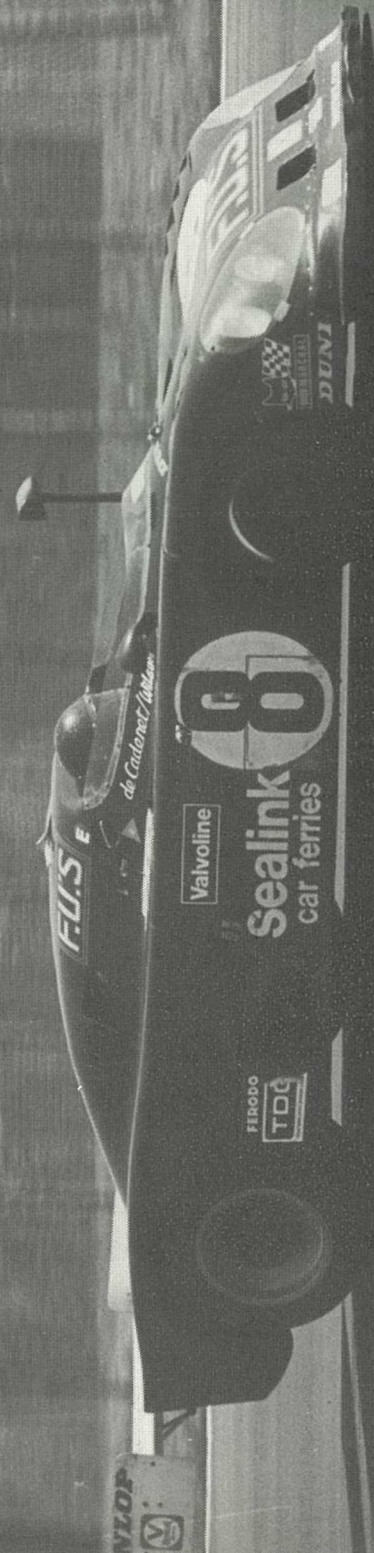

For further information we cover the following meetings - Croft, Harewood, Scammonden, Curborough, Prescott, Aintree, Cadwell Park, Donington Park and Barbon to name a few.

On the rally side we cover such meetings as the R.A.C. Rally, The Dukeries Rally and several one day and single stage events.

If anyone is willing to sponsor our club we can offer a good return for their investment.

Anyone wishing to join our club can obtain information from the crew on our van or by writing to me, Mick Levett, 2 The Village Street, Burley, Leeds, 4 or telephoning me on 630116 Leeds daytime or 787960 Leeds evenings.

Stay with the winners!
