## MOTOR RACING IS DANGEROUS

You are present at this Meeting entirely at your own risk and it is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the Meeting, including the owners of the land and the drivers and owners of the vehicles and passengers in the vehicles, are absolved from all liability in respect of personal injury (whether fatal or otherwise) to you or damage to your property howsoever caused.

**DOGS.** In the interests of safety, dogs are not admitted to the course.

### PORTABLE STANDS PROHIBITED

The organisers emphasise that spectators with improvised or portable "stands" will be refused admission.

The Goodwood Circuit, with terraced enclosures throughout almost its entire length, offers adequate views, and spectators who bring improvised "stands" interfere with the comfort of fellow spectators.

Spectators are prohibited from climbing on the roofs of any buildings in the enclosures. Spectators occupying grandstand seats must remain seated during racing.

### LOST AND FOUND

Spectators who find articles at Goodwood are asked to return them to the Goodwood Road Racing Company's office by the main gate in the Green Enclosure, where those who have lost anything should also apply.

### MESSAGES

The organisers wish to stress that announcements to assist spectators cannot be made over the course loudspeaker system except in cases of genuine emergency.

### B.A.R.C. MEMBERS

B.A.R.C. members and their guests holding Goodwood season brooch sets or day tickets are reminded that there are members' stands opposite the start line and pits as well as at the Paddock Chicane. Seats may not be reserved.

### REFRESHMENTS

Public cafeterias and licensed bars are located in the Members' Enclosure and in the Paddock. A full range of light refreshments will be on sale.

**ANTI-LITTER.** Please help to keep Goodwood tidy.

### PROGRAMME COPYRIGHT

All literary matter in this Programme, including the list of competitors and their racing numbers, is Copyright, and any person found making illegal use thereof will be prosecuted.

The Club accepts entries and drivers' nominations in good faith and every effort is made to adhere to the printed programme. The Club, however, cannot accept responsibility for the failure of any driver or car to appear.

Although every endeavour is made to avoid inaccuracies in the description of competing cars, the Club accepts no responsibility for any that may occur.

The Club reserves the right to postpone, abandon, or cancel the meeting or any part thereof. No refunds can be made in respect of admission charges.

When driving to and from a race meeting, please drive with care and consideration through the towns and villages en route.

## BROOKLANDS MEMORIAL TROPHY

TODAY'S meeting is the fourth and final Members' Meeting at which points will be awarded for the *Motor Sport* Brooklands Memorial Challenge Trophy. The driver who collects most points during the season wins the Trophy, a replica and £75. Second and third places win £50 and £25 respectively.

Points are awarded on an inverse position basis up to fourth place in each class, but should there be seven or fewer starters in a class the points for each place are halved.

The winner in 1962 was A. V. Hegbourne. The leading contestants to date are: C. M. M. Williams, 15½ pts.; A. C. Dence, 12 pts.; R. Buchanan-Michaelson, 10 pts.; R. Duggan, 10 pts.; A. Deacon, 9 pts.

## FREDDY DIXON and PETER COLLINS TROPHIES

BOTH the "Freddy Dixon" Trophy and the Peter Collins Memorial Challenge Trophy are awards which the B.A.R.C. are proud to present. Donated by the Middlesbrough and District Motor Club, the attractive silver Fred. W. Dixon Trophy is awarded to the season's most successful driver in "Marque" sports car races for which the eligible cars are: A.C. Ace and Aceca, Austin Healey (not Sprite), Daimler SP250, Lotus Elite (F.W.E. with single S.U. carb), M.G. A and M.G. B, Morgan +4, Sunbeam Alpine 1½ and 1.6 litre, T.V.R. Grantura (M.G. A engine), Triumph TR2, TR3 and T.R.4 and Elva Courier. Points are gained on an inverse position basis to fourth place. Past winners include: David Shale (Austin Healey), 1958; Chris Lawrence (Morgan) 1959; Colin Hexhall (Triumph), 1960; Bob Staples (A.C.), 1961; David Eva (M.G.) 1962. Leading contestants in this year's competition are: T. Entwistle, 19 points; A. C. Dence, 15 points; J. Harris, 9½ points; J. Dangerfield, 6 points; N. H. Dangerfield, 5 points; D. S. Jones, 5 points.

Donated by his friends at Alcester Preparatory School, the Peter Collins Trophy keeps alive the memory of a top-line driver and sportsman. The best novice driver of the year at B.A.R.C. Members' Meetings at Goodwood is decided upon at the end of the season by a B.A.R.C. committee. Past winners of the trophy are: W. McCowen, 1960; R. H. McArthur, 1962.

## FREDDY DIXON TROPHY

## SPRING GROVE SALOON CAR CHAMPIONSHIP

### CHRIS BRISTOW MEMORIAL TROPHY

THIS challenge trophy, presented by W. H. Bristow in memory of his son Christopher, is awarded annually to the competitor recording the fastest lap at a Goodwood meeting restricted to B.A.R.C. members. The 1962 winner was John Fenning.

TODAY'S meeting is the final in the Spring Grove Saloon Car Championship. This championship has been very closely contested throughout the seven qualifying rounds, and this afternoon's racing will surely produce a battle in the up to 1200 c.c. class where the two leading competitors, Mick Cave and Bob Smith, are entered. Although Cave (13 pts.) has been making the running throughout this competition he is only three points ahead of Smith who has 10 pts. Other leading point winners are: D. P. Merfield, 7½ pts.; J. E. Fenning, 7 pts.; J. D. Lewis, 7 pts.; E. J. B. Mitchell, 7 pts.; J. F. Normanton, 6½ pts.; A. Allard, 5 pts.; R. Embley, 4 pts.; P. T. Middlehurst, 4 pts.; M. Pendleton, 4 pts.; J. Adams, 4 pts.

### DUNCAN HAMILTON TROPHY

THIS meeting counts towards the Duncan Hamilton Challenge Trophy which is awarded annually to a member of the Jaguar Drivers Club driving a Jaguar or a Jaguar-engined car.

Scoring will be based on a cumulative points system and restricted to Goodwood meetings.

## MOLYKOTE for better motoring!

Years of research in industry has led to the introduction of Molykote Concentrate—the Molybdenum Disulphide lubricant that cuts wear and friction where it matters most.

MOLYKOTE concentrate is an undiluted essence of the highest concentrate of Molybdenum Disulphide specially refined and selected for modern automobile engines and transmission. MOLYKOTE forms a protective barrier on parts even when oil is washed off by petrol such as under starting conditions and on short city journeys.

The Molykote film will not wash off, resists acids and is **effective from the first rev.** Molykote is Protection-Plus!

## BROOKLANDS MEMORIAL TROPHY CONTEST

THE MONTHS roll by and so we come to the last Goodwood Members' Meeting counting towards points for the Brooklands Memorial Trophy Contest. As I see it, Chris Williams leads with a total of 15½ points but cannot score any more because he has not entered for this afternoon's races. However, interest centres on whether three other well-placed drivers can better the score held by Williams at the end of this afternoon's racing.

If Adrian Dence can add a win or even a couple of places to his existing score, he can take the trophy and his Morgan +4 is a very useful car for the task. Bob Duggan is two points behind Dence but could still be in the running if J. T. Parker's Lotus Elite which he is down to drive earns him six or more additional points. Brian Hetreed needs a couple of wins to do him any good so he can be expected to drive his Aston Martin DB4GT Zagato on the limit—and what a fine sight that should be!

Whoever pulls it off, however, the sporting spirit at Goodwood this afternoon is the same as it was all those long years ago at Brooklands. Today, road-type corners and that chicane present difficult conditions, but bankings or flat turns, may the victor or the runners-up enjoy their racing as countless Brookland's drivers undoubtedly enjoyed theirs in days gone by.

What's the tie-up?

between one of the largest linen hire companies in the country and motoring? Spring Grove Laundries Ltd., well-known for their industrial garment and general linen hire services, are publishers of the unique Fill and Freshen road maps showing stopping places where motorists can not only replenish themselves and their vehicles but can also take advantage of toilet facilities including Spring Grove Rolomatic towel cabinets. Now they further strengthen their association with the motorist by sponsoring the Spring Grove Saloon Car Championship at B.A.R.C. meetings in 1963. Send for free copies of the first three maps, covering Manchester and North-West England, Kent, Surrey and Sussex and East Anglia.

Spring Grove really put motoring comfort on the map.
