We Sell Magnetic Signs

Welcome to Riverside Stadium

Thank you for joining us at Riverside Stadium. We are very proud of everyone's effort to present what we feel is the utmost in "grass roots" auto racing on our 1/4 mile track.

We started the street stock division nine years ago and introduced many new people to the great sport of auto racing.

We continue to present the street stocks, along with the popular late models, and of course, the exciting Figure 8.

This season, our 10th at Riverside, we introduce you to still another type of racing with the IMCA Modifieds. The modifieds were born in the state of Iowa and the national headquarters is located in Vinton, Iowa.

We are the first track in Missouri to sanction this car and we are confident the class will be very popular to both you, the spectator, and the people involved in building and driving this beautiful class of cars.

We hope you enjoy your evening at Riverside and will tell your friends where you spend every Saturday night.

We believe Riverside is "Kansas City's Best Auto Race Value," and we hope you return often.

Thank you,
Larry and Dixie Kaster
Buz, Donna, DeAnn and Christal Kaster
Carl, Cindy, Wendy and Mindy Kaster

Junior Fans Nickel Toss on Fun Night.

Riverside's Junior Fan Club

If you are a youngster 6 through 11 years of age, who comes to the races regularly, don't forget to sign up as a member of our Riverside Junior Fan Club. It's free, and there will be lots of fun and prizes in store for Junior Fan Club members. Every week, one lucky youngster will become our "Junior Fan of the Week." He or

she will receive a special trophy, have a picture taken with his or her favorite driver, and even go for a ride around the track with his or her favorite driver! Pick up application blanks at the ticket office.
