EXTRACT FROM THE SUPPLEMENTARY REGULATIONS

High Speed Trial. Its duration will be limited to 30 minutes. Individual competitors to qualify for an award, will have to maintain a set average speed according to their anticipated performance. Cars will be divided into four classes by the Handicappers on the basis of their estimated best lap time (although they will not need to lap in these times to qualify).

Class	Estimated Performance	Qualification	
		Laps	Speed
A	Not capable of lapping faster than 1' 40"	16	51.23 m.p.h.
B	Capable of lapping between 1' 30" & 1' 40"	17	54.61 "
C	Capable of lapping between 1' 20" & 1' 30"	19	60.93 "
D	Capable of lapping faster than 1' 20"	21	67.31 "

There will be one compulsory pit stop at which each tyre valve cap must be removed and replaced on a different road wheel.

In addition, team entries are invited from teams of three cars, not necessarily of the same capacity, competing in this event. A special Team Award is offered to the team of three cars which complete, in the aggregate, the maximum percentage in excess of the required distances, based on the set average speeds, within the period.

Particulars of teams competing for this award will be announced over the public address system.
