S.U.N.B.A.C.

On this the 28th occasion upon which the Club has organised a race meeting at Silverstone we would like to extend a warm welcome to spectators and competitors alike, hoping that both will thoroughly enjoy to-day's sport.

We are particularly fortunate once more in receiving considerable financial support from many, various commercial concerns whose names appear against the races in which they are interested. Thanks to their continued encouragement we have been able to assemble grids which we hope will produce racing of such a standard to justify their faith in both the Club and the Sport in general.

Whilst acknowledging those whose efforts have enabled us to run the meeting we wish to record a special thanks to the marshals who brave all weathers and without whom no motor race could take place.

On page 21 you will find a membership application form which you may wish to complete. Sunbac run race meetings, sprints, trials (both sporting and production), together with a National Motorcycle Trial (The Colmore). A full social calendar is centred upon the Club's regular venue at the Civic Hall, Solihull, with monthly meetings and additional semi-competitive events. The very fact that you are here today stamps you as our type of person!
