MIDLAND AUTOMOBILE CLUB WELCOMES YOU

It is again a pleasure to welcome you the spectator to our MIDLAND AUTOMOBILE CLUB Race Meeting today. We have the fullest entry we have ever received, and the programme has the makings of a great day's sport. The programme and entry list represents a true Club Meeting, from which may appear at some future date a Grand Prix driver. This Club of ours, which was originally formed on the 11th January, 1901, is well known for the running of the famous Shelsley Walsh Hill Climb near Worcester. This event has been running continually since 1905, except for the interruption of two World Wars. Grateful thanks are extended to the advertisers for their very welcome support.

The Club offers many activities, including the aforementioned Shelsley Walsh Hill Climbs, together with Sprints, Film Shows, Dinner and Dances and Skittles Matches, to mention but a few. If you would like more information, please contact me personally at the address below. A full subscription is only £3.15, which includes free tickets to most of our events and special concessions to others. There is also a "Wife Membership" subscription of £1.05. I shall be delighted to hear from you and supply further information.
