The Snetterton Motor Racing Club

LADIES AND GENTLEMEN,

The first rule of the club, does I think, say, just what we are here for, i.e.:
 “ (a) To encourage social intercourse between members of the club and to provide facilities for the meeting of one another to discuss, promote and generally take part in the sport of Motor Racing, Touring, and in fact any form of competition connected with motoring ”; and “ (b) To run a Social Club for the benefit of all persons interested in the Snetterton Motor Racing Circuit.” Now that is a pretty tall order, so let me be more explicit.

Obviously the main interest of our members is the running of motor race meetings at Snetterton, whether on a National scale—or a Club “ dice ” for the fun of the novice ; in this respect we run five major race meetings a year, and a Club Sprint. We are also invited to most club meetings run by other clubs at Snetterton, so if in fact we are not the organizers, there is ample opportunity for the beginner to get experience. There is, I suppose, something of interest going on at Snetterton almost every week-end of the year in which members very often take a prominent part. Now, in addition to our many sporting activities, the club social life is well worth your consideration. We have our own Registered Club House in the Paddock Area of the Circuit, a wide variety of beers, wines and spirits are always available at reasonable prices ; access to this Club House (and the Paddock Area) is permitted to members, their wives and families, on race days and, in fact, at all times (families must come on a “ Family Membership ”).

Guest tickets to the Club House are also available at 2s. 6d. each, for each race meeting. Club members may also buy the “ Pit Roof Passes ” which are strictly limited. There is a hard roof on the Club House giving a fine view of the racing. During the winter months film shows, club nights, talks, etc. are also held in the Club House at the Circuit.

In addition to the above items, a monthly news letter is sent out to all members giving details of our activities, and items of news, posters, car stickers, etc., are also sent to all members.

This is a live, active club, and does, we feel, offer the Snetterton race-goer excellent value for his £1 or 30s., whichever the case may be ; our steadily increasing membership does, I think, verify this.

We would welcome YOU as a member. Our Application Form is appended below.

Yours faithfully,
 OLIVER SEAR.
 Hon. Secretary.
