Calling all Special Builders

Since the possibility of purchase tax does not apply you are probably deciding to go ahead with that 750 or 1172 c.c. Special. If so, you will find a copy of "The Special Builders Guide" and membership of the 750 Motor Club most helpful. You may be interested to here that our activities are not solely concerned with specials as evidence of today's meeting will show. We include classes in all our events for all types of cars. Even non-car owners with enthusiasm for the Sport are welcome.
