## TODAY'S MEETING

The West Essex Car Club welcomes you here today at its annual race meeting at Snetterton Circuit. Many are the changes that have been made since we first organised a meeting at this track way back in 1953, and we like to feel that we have played a considerable part in helping to bring the circuit up to its present-day standing in the motor racing world.

As is our policy, we are presenting to you today a meeting for which the main trophy will be awarded to the victor in a saloon car race. This has been presented to us by Astley Industrial Trust who have helped us financially to promote the event. Other races cater for Sports, G.T., Formula Libre, that is a race for all types of car irrespective of engine size, and our first race under the new Formula 3 which has attracted a large entry from that stalwart local supporter of Snetterton, Jim Russell's Racing School. Jim, of course, was the past Champion of the old Formula 3 and today's cars are really completely different from those in which Jim made his name.

So there it is . . . a full programme of, we hope, exciting, hotly contested events. All we ask is that the sun shines, and that spectators and drivers alike have a thoroughly enjoyable day's sport. Thank you for your support.
